Parents and caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets.

The Department of Education has School Ambulance Cover which provides coverage in the event that students have no other form of ambulance cover.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body.
