A note from the Principal

Welcome to the Clairgate Chronicle for this fortnight – Week 10, Term 1 (31/03/21). I want to thank everyone for their hard work and support this term – we have had a successful term whilst still in the midst of difficult times. I appreciate your patience and support as we try to navigate these “different” times. I hope everyone has a wonderful break.

Let's recap some of the wonderful events of the past fortnight...

Wearing Blue for World Autism Day

It is lovely to see so many children wearing BLUE to raise awareness about Autism and funds for the Luke Priddis Foundation. We raised over \$480 for this great cause – well done everyone.

Easter Hat Parade

We look forward to our lovely Easter Hat Parade tomorrow – the parade will start on the front grass around 11.45am. You are invited to find a good spot on the front grass for this parade...bring your picnic chairs or picnic rugs. We still ask that you practice social distancing as much as possible. The raffle will be held earlier in the day – this will be

only in front of the children as we cannot have extra adults in the main quad area.

Harmony Day

We celebrated Harmony Day on Monday, 22nd March. It was lovely to see our students in mufti – some children wore their traditional costumes – they looked fabulous!

Cross Country next term...

Clairgate PS will be having their Cross Country Carnival on **Monday, 26th April 2021**. Times will be from approximately 9am-11am. Parents are welcome to attend on the day however must remain on the ridge (where the carnival is) for the duration of their time on site. Parents will also be required to 'sign in' using a QR Code on the day. Let's hope we have lovely weather!

Don't forget...

- First Day of Term 2 – Tuesday, 20th April, 2021

Have a wonderful fortnight – bless you all.

GARDENING CLUB

Term 1
Week 10 2021

GARDENING CLUB 2021!

A HUGE THANK YOU to all our beautiful families and especially Mrs Warhurst and Mrs Tonks for donating Woolworths Discovery Garden pots from Woolworths St Clair.

During the rainy inside-play days, the Garden Crew were busily focused on all the seeds as they learned to identify and organise the different herbs, flowers and vegetables.

The Garden Crew have planted green climbing beans, sugar snap peas, onions, cabbage and spinach seeds.

The first sprouts have emerged from the soil. In our herb garden we have also planted chives, thyme and sage.

Three garden beds have been dedicated to flowering plants as a food haven for pollinators.

Some students have had the opportunity to pick pumpkins to take home and soon we will be able to clear our pumpkin patch and turn the soil over for a new harvest of food ready for TERM 2.

HAPPY EASTER :-)
